EASIWAY

DIP TANK

PT-525

Features:

- Tank Dimensions: 37”W x 13”D x 28”H
- Will hold 3 - 25” x 36” frames horizontally or 20” x 24” frames vertically
- Built in drip ledge - not seen on any other tanks in the industry
- Includes built in screen hold down bar
- Sludge catch molded in to the bottom of the tank

This new tank incorperates a ribbed design stabilized by two ridged molded pillars with increased durability to eliminate any bowling in tank sides.
